**Re: TEN (10) DAY NOTICE OF AIRCRAFT OPERATION DURING CURFEW HOURS  
NORMAN Y. MINETA SAN JOSE INTERNATIONAL AIRPORT CURFEW  
ORDINANCE**

Dear Mr. Austin,

Pursuant to Chapter 25.03 of the San Jose Municipal Code (the "Airport Curfew Ordinance"), this letter is notice of an arrival at the Airport by a Boeing B737-800 (N277EA) Flight # 4104 on April 08, 2016 at 23:46 hours (PDT). As provided in the Curfew Ordinance, only those jet aircraft listed on the Schedule of Authorized Aircraft may takeoff or land at the Airport during the Curfew Hours from 11:30 p.m. to 6:30 a.m. The Boeing B737-800 is not listed on the Schedule of Authorized Aircraft and is therefore prohibited from taking off or landing at the Airport during the Curfew hours from 11:30 p.m. to 6:30 a.m. Copies of the Curfew Ordinance and the Schedule of Authorized Aircraft were previously provided to you.

Aircraft not listed on the Schedule of Authorized Aircraft may takeoff or land at the Airport during the Curfew Hours from 11:30 p.m. to 6:30 a.m. only if: (a) the takeoff or landing is exempt from the Curfew Hour Restrictions as the result of a Force Majeure Event pursuant to Section 25.03.320 of the Curfew Ordinance; or (b) the operator demonstrates in writing to the Director of Aviation that the FAA Part 36 manufacturer certified noise level of its aircraft (using the arithmetic average of the takeoff, sideline, and approach noise levels) is equal to or less than 89.0 EPNdB.

If you believe that the arrival at the Airport by Flight # 4104 on April 08, 2016 at 23:46 hours was exempt or otherwise compliant with the Curfew Ordinance under either of the circumstances described above, you must provide the Director of Aviation a completed Curfew Operation Report and Flight Routing History within ten (10) calendar days of the date of this notice.

TEN (10) DAY NOTICE OF AIRCRAFT  
OPERATION DURING CURFEW HOURS

Page 2

April 12, 2016

If the Director of Aviation determines: (a) that the Curfew Operation Report documents facts sufficient to support an exemption from the Curfew Hour Restrictions; or (b) that the arrival was otherwise compliant with the Curfew Ordinance, no further action will be taken. In the event that; (a) you fail to file a Curfew Operation Report with the Director of Aviation with ten (10) calendar days of the date of this Notice; or (b) the Director determines that a timely filed Curfew Operation Report does not document facts sufficient to support either an exemption from the Curfew Hour Restrictions or a determination that the an arrival was otherwise not compliant with the Curfew Ordinance, the Director shall issue an administrative citation to you in the amount of \$2,500 for a violation of the Curfew Ordinance.

Enclosed is a Curfew Operation Report form and instructions that will assist you in providing either: (a) a complete flight routing history necessary to claim an exemption; or (b) documentation that the FAA Part 36 manufacturer certified noise level of the aircraft which performed the arrival (using the arithmetic average of the takeoff, sideline, and approach noise levels) is equal to or less that 89.0 EPNdB. If you have any questions, feel free to call the Noise Monitoring Center at (408) 392-3535 during normal business hours or contact the Manager on Duty at (408) 277-5378 during non-business hours, weekends and holidays.

Re: Operation during curfew hours.

Dear Mr. Glazer

Eastern Air Lines did operate into your airport within the curfew hours. This particular flight was delayed for mechanical reasons. We have 5 B-737 NG aircraft, on April 8 two of our aircraft were having mechanical issues.

Eastern ferried an aircraft from BOS to MIA for a crew change and then ferried to HAV, in Cuba.

We could not cancel the flight from HAV to SJO as there were no hotels available in Havana. We could not strand the passengers to stay in Havana as the authorities said they could not spend the night in the airport.

We had a short window of opportunity to land outside of the SJO curfew window, but it took too long to turn the aircraft in Havana.

Should you have any questions or concerns in this matter, please do not hesitate to contact me at any time.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Furneaux".
