I have an app called breaking news and I seen a picture of an airplane that broke down the fence and went into ocala Street I grew up on the east side I lived at 2163 bayhaven dr which is by Overfelt and I attended Ocala school I had to walk right there everyday to and from school I do remember some friends that were on the track team that got killed because of an airplane they need to make that fence thicker ..they should make like a brick wall right there I'm going to also include a picture what i seen.. San Jose needs to protect their people
