

# DBE Program

- As a recipient of Federal DOT grants, SJC is required to have a Disadvantage Business Enterprise (DBE) program
- Last year, SJC adopted a new 2017-2019 DBE plan with an annual DBE goal of 6.3%
  - Goal is based on available opportunities for DBE contractors, which varies depending on the type of projects
- In December, SJC reported the 2016 DBE achievements to the FAA: 8.1% on a goal of 14.5%
- Outreach
  - SJC does community outreach for both federally and non-federally funded projects

# ACDBE Program

- Similar to the DBE program, the Airport also as an Airport Concession DBE (ACDBE) program
- Currently updating our 3-year ACDBE plan for 2018-2020
  - Have Consultants working on updating the plan and goal
  - Stakeholder meeting on 3/8 @ 5pm in City Hall
- For 2016, SJC achieved 12.73% participation on a goal 10.57%
- Outreach
