SUBJECT: CITIES ASSOCIATION OF SANTA CLARA COUNTY – SANTA CLARA / SANTA CRUZ AIRPORT ROUNDTABLE

RECOMMENDATION

Schedule a Council discussion, with possible action, on the recommendations from the Santa Clara County Cities Association to form a Santa Clara / Santa Cruz Airport Roundtable.

BACKGROUND

At its June 2018 meeting, the Board of Directors of the Cities Association of Santa Clara County (CASCC) recommended the formation of a Santa Clara / Santa Cruz Airport Roundtable. The mission of this roundtable would be to address community noise concerns and make recommendations to the regional airports and FAA on noise related issues. In 2017, CASCC received a Congressional request from Representatives Eshoo, Khanna, and Panetta to form a regional aircraft noise roundtable. Following this request, an ad hoc committee was setup by CASCC to build a framework for forming the roundtable.

The roundtable outlined in the CASCC recommendations would include participation by the 21 local jurisdictions in Santa Clara and Santa Cruz Counties and would address noise issues from both SFO and SJC. Included in the CASCC recommendations is a draft MOU, draft resolution, and bylaws. There are several key points to highlight from recommendations for the Council consideration:

- Each jurisdiction receives one vote regardless of population
- Self-funded by member jurisdictions with contributions based on population (*San Jose contribution set at \$37,504, the largest contribution of all jurisdictions*)
- Participation by SJC Airport Staff, SFO staff, FAA as non-voting members
- Simple majority (50% +1) vote to take action or amend bylaws

These recommendations come shortly after the Ad Hoc Advisory Committee on South Flow Arrivals concluded and forwarded its report and recommendations to the FAA for its review on May 18, 2018. This committee was established in October 2017 by the City Council to specifically address issues surrounding south flow arrivals. The list of recommendations from this ad hoc

Rules Committee:

committee was extensive and it is unknown how long it will take for the FAA to review and respond to the report.

I was the lone dissenting vote representing San Jose at the Board of Directors meeting. I had concerns with the governance model created, i.e., one vote per jurisdiction, the added staff time from our airport staff that would be required, the attempt by some jurisdictions during the Ad Hoc Committee process to move noise to an Eastern Approach over communities in East San Jose, and the associated financial contribution from the City. However, I believe this item and recommendation should be discussed by the City Council.

MEETING SUMMARY – JUNE 14, 2018

LEGISLATIVE ACTION COMMITTEE SUMMARY

The consent agenda consisting of April LAC meeting minutes and confirmation of RM3 votes, was approved with a motion from Peter Leroe-Muñoz (Gilroy) and second by Larry Klein (Sunnyvale). The motion carried by unanimous consent.

Patrick Ahrens, Assemblymember Evan Low's office gave an update on the budget package:

The Legislature passed the main FY 2018–19 State Budget Act and some of the associated trailer bills on Thursday, June 14, a day before the constitutional budget deadline establishing the state's financial plan for the fiscal year that begins July 1.

- The final budget largely tracked with Gov. Jerry Brown's May Budget Revise with total spending of \$137.7 billion in General Fund spending, out of a total budget of \$199.7 billion.
- The Rainy Day Fund is projected to grow to \$13.8 billion by the end of the upcoming budget year, which is its constitutional maximum.
- The budget also addresses homelessness, one of the League's 2018 strategic priorities, with \$500 million in one-time Homeless Emergency Aid Block Grants.

Discussion on bills:

- SB 828 (passed Senate, in Assembly) oppose
- AB 1912 (JPA & pension) liability goes to cities – league opposes, oppose if become active
Unanimous
- SB 834 (state lands - prohibits state from leasing new oil or gas drilling) unanimously supports
- SB 831 ADUs: unanimous consent approved to send letter to author that we are interested in bill that incentives production of ADUs but are concerned with:
 - floor area ratio and lot coverage
 - many of our cities are interested in having the owner as the occupant of the house of which the ADU sits
 - minimums to be smaller to increase the possibility of more affordable ADU

CITY SELECTION COMMITTEE SUMMARY

Consent agenda, consisting of minutes from February 2018 meetings was approved after a motion from Larry Klein (Sunnyvale) and a second from Jeannie Bruins (Los Altos). Motion was approved by a 14-0-1 vote with Paul Resnikoff (Campbell) abstaining.

BOARD OF DIRECTORS MEETING

Consent Agenda consisting of the Board Meeting Minutes from April 2018 were approved.

The Cities Association Ad Hoc Roundtable Committee of Greg Scharff (Palo Alto), Pat Showalter (Mountain View), Larry Klein (Sunnyvale), Mary-Lynne Bernald, Gary Waldeck (Los Altos Hills), Savita Vaidanhyanthan (Cupertino), Steve Tate (Morgan Hill) presented their recommendations to form a Santa Clara/Santa Cruz Airport Roundtable.

In June 2017, the Cities Association of Santa Clara County (CASCC) received a Congressional request from Representatives Eshoo, Khanna, & Panetta asking the CASCC to take a leadership role in forming a regional aircraft noise roundtable. The CASCC formed an Ad Hoc Committee to build the framework of forming a roundtable that works for a region. The roundtable, conceived to include the 21 local jurisdictions of Santa Clara and Santa Cruz Counties, will work together with San Francisco Airport, Minéta San José Airport, and the FAA, and address the growing concern of aircraft noise in one of the busiest metro-plexes in the country.

The Committee recommendation includes:

- Mission Statement: To Address Community noise concerns and make recommendations to the Regional Airports and FAA on noise related issues.
- MOU to form organization
- Organization is similar to SFO Roundtable
- Self-fund from member jurisdictions
- Work with both SFO & San Jose Airports
- SFO Airport and Roundtable willing to collaborate
- Hire consultant or contract to run the organization
- Initial staff support to be supported by Cities Association of Santa Clara County
- Each member jurisdiction receives 1 vote
- Changes to bylaws require majority of members
- Non-voting members include airport, FAA, pilots' organization
- Any member may withdraw at any time with notice of intent, but forfeit their dues
- Serves as a forum for public

The Board adopted the resolution and draft by-laws, MOU, City/County Resolution.

“Whereas the Board of Directors of the Cities Association of Santa Clara County does hereby support and will initiate formation of an intergovernmental partnership between the cities and counties of Santa Clara and Santa Cruz Counties, Norman Y. Minéta San Jose International Airport (SJC), San Francisco International Airport (SFO), and the FAA, that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the Santa Clara and Santa Cruz Counties, and

invite the jurisdictions, cities and counties within Santa Clara County and Santa Cruz County, to partner in the formation of the Santa Clara/Santa Cruz Roundtable.”

Vehicle Dwellers: Board Member Pat Showalter (Mountain View), Kimberly Thomas (Office of the City Manager, Mountain View), Tom Myers (Community Services Agency for Mountain View, Los Altos, Los Altos Hills) discussed Homelessness and a growing segment of the population of vehicle dwellers

- Importance to discuss how the effects of local ordinances may impact the movement of this population
- The problem is the direct result of housing affordability issue

Regional Housing Needs Allocation (RHNA) Subregion formation report:

Los Gatos Town Manager Laurel Prevetti presented on behalf of the Subregion Taskforce Committee (Showalter, Scharff, Jones, Supervisor Chavez).

- Subregion Overview
- Pros/Cons of forming a subregion
- Guiding principles
- By-laws
- Resolution

Important items to note:

- The subregion approach would include the “low cost” approach and utilizes current structures already in place (Cities Association, SCCMA, SCCAPPA/Planning Directors).
- No one would be forced to do anything if they didn’t want to do
- Taskforce recommends accepting the methodology/numbers from ABAG

Questions that the Board is interested in knowing:

- How many subregions have been formed in all of California during the last two cycles? (Not just Bay Area)
- Of those subregions, how many had allocations that differed from the original allocation from the COG?
- Of those with different allocations, how many cities within the subregion had different allocations?
- There was interest in the specific trades that occurred in San Mateo County for both cycles. The Board recalled that in one trade, Redwood City wanted as many units as possible but they were unclear on the details. There was also recollection that only Woodside and Redwood City did a trade.

The RHNA Subregion Taskforce is asking the Board Members to discuss the subregion and share the documents with their Councils for direction regarding forming a subregion. The CASC Board will vote on formation of the subregion in October.

The Board ratified action from the **Legislative Action Committee:**

- SB 828 (passed Senate, in Assembly) oppose
- AB 1912 (JPA & pension) liability goes to cities – league opposes, oppose if become active
Unanimous
- SB 834 (state lands - prohibits state from leasing new oil or gas drilling) unanimously supports
- SB 831 ADUs: unanimous consent approved to send letter to author that we are interested in bill that incentives production of ADUs but are concerned with:
 - floor area ratio and lot coverage
 - many of our cities are interested in having the owner as the occupant of the house of which the ADU sits
 - minimums to be smaller to increase the possibility of more affordable ADU

New Business: 2018-2019 Budget

Rod Sinks gave an overview of the Budget. As the Board is taking on more Regional issues including RHNA and the Roundtable, the Executive Director job has become a full-time job. This budget is a change from past budgets and creates the Executive Director as a full-time job. The Executive Board recognizes that the timing for the increase isn't the best. Larry Klein spoke to some changes in the budget from past practice. General meetings are now budgeted, Board Priorities budget has been increased, website redesign included, and insurance. The Board unanimously approved the budget.

City Manager's Report by Aarti Shrivastava (ACM, Cupertino/SCCCMA)

Attended the Joint City Managers meeting with San Mateo/Santa Clara Counties with presentation on

- cities moving toward District Elections
- ICMA Talent Initiative – what cities can do to attract and retain talent.

Joys and Challenges:

- Debi Davis: reported on the move to district elections in Santa Clara. The citizens rejected Measure A to move to district elections.
- Greg Scharff – Palo Alto approved new public safety building and a 636 parking garage on California Avenue
- Los Altos – There is a citizens' initiative "save our parks": can't sell or lease any city owned property that is larger than 7500 square feet without going to a vote of the citizens. Council is putting together an alternative initiative and hopes to work with the group and find common ground.
- Rod Sinks - Cupertino is having substantive conversations regarding Vallco. Majority of council will support 2400 housing units at Vallco/SB 35 claim. 35 units per acre. Cupertino engaged in a very robust process.
- Burton Craig – The Monte Sereno City Council voted 3-2 Tuesday night to allow 36 homes to be built at the Hacienda Inn on Highway 9, a scenic California highway.

Summary:	<p>In June 2017, the Cities Association of Santa Clara County received a Congressional request from Representatives Eshoo, Khanna, & Panetta asking the Cities Association of Santa Clara County to take a leadership role in forming a Roundtable that would include the 21 local jurisdictions of Santa Clara and Santa Cruz Counties to work with San Francisco Airport, Minéta San José Airport, and the FAA to address the growing concern of aircraft noise. The formation of such a roundtable was also a recommendation of the Select Committee (2016) chaired by Santa Clara County Supervisor Joe Simitian. Additionally, Minéta San José Airport convened a 120-day Ad Hoc Committee on South Flow Arrivals. As one of the busiest metro-plexes in the nation compounded with a increasing population and growth in air travel, this problem isn’t going away.</p> <p>The Committee strongly concurs with the Representatives that there is a critical need for an organization that convenes all of the stakeholders and has jurisdiction for citizens to be heard. The only venue for such an organization that the FAA will participate is a Roundtable.</p>
Recommended Action:	The Committee strongly recommends that the Board of Directors does hereby support and will initiate the formation of an intergovernmental partnership between the cities and counties of Santa Clara And San Cruz Counties, Norman Y. Minéta San Jose International Airport, San Francisco International Airport, and the FAA that will serve as a permanent aircraft noise mitigation entity.

Ms. Joanne Benjamin, Interim Executive Director
Cities Association of Santa Clara County
Post Office Box 1079
Los Gatos, California 95031

Dear Ms. Benjamin,

We write to request your assistance with the establishment of a long term forum for aircraft noise concerns in the South Bay. There is a critical need in Santa Clara and Santa Cruz Counties for a permanent venue to address aircraft noise concerns and we think it is essential that this body include all currently unrepresented cities in our Congressional Districts. Because you represent each of the 15 cities within Santa Clara County, we respectfully request your assistance with developing an intergovernmental partnership between the cities in Santa Clara and Santa Cruz Counties, Norman Y. Mineta San José International Airport (SJC), and San Francisco International Airport (SFO) that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the South Bay and Santa Cruz County.

Between May and November, 2016, the Select Committee on South Bay Arrivals, a temporary committee of 12 local elected officials appointed by Congresswoman Anna G. Eshoo, Congressman Sam Farr, and Congresswoman Jackie Speier, convened meetings to receive public input and develop regional consensus on recommendations to reduce aircraft noise caused by SFO flights and airspace, and procedural changes related to the Federal Aviation Administration's Next Generation Air Transportation System. Among the many recommendations that received unanimous approval by the former Committee was the need for a permanent venue to represent currently disenfranchised communities in addressing aircraft noise concerns including, but not limited to SFO. This recommendation stems from the fact that our mutual constituents in Santa Clara and Santa Cruz Counties, do not currently belong to a permanent aircraft noise mitigation entity such as the SFO Airport/Community Roundtable.

Recently, the SJC Airport Commission voted unanimously to recommend that the San José City Council approve the establishment of a roundtable forum at SJC to address the noise impacts of the Airport's South Flow operations. While we agree with the Commission that there is a significant demand for an aircraft noise mitigation entity to represent constituents in the South Bay, it is imperative that any potential body not be confined to SJC or SFO related issues and also include representation of all affected and currently unrepresented communities in Santa Clara and Santa Cruz Counties. Although the participation by elected officials in each affected city is essential, it is critical that the establishment of such a body should not be unilaterally implemented by one city, but instead be led collectively by the entire affected region.

We've enclosed a copy of the SFO Airport/Community Roundtable's Purpose and Bylaws which can serve as a model in the South Bay. We would like the Cities Association to collect input from your membership, provide suggestions from each of the cities within your jurisdiction, and to work with the County of Santa Cruz and the Directors of SJC and SFO to develop an intergovernmental partnership modeled after the SFO Airport/Community Roundtable and referred to as the South Bay Airport Roundtable. This body should serve as the permanent

aircraft noise mitigation entity representing each city within each county, and with jurisdiction spanning aircraft noise issues including but not limited to those related to either SJC or SFO. We recommend that the FAA agree to provide technical assistance as needed, and that like the SFO Airport/Community Roundtable, SJC would be responsible for hosting and staffing meetings. To ensure equitable regional representation, each city and county should have the opportunity to appoint one Member and one Alternate who are local elected officials to serve on the body, elect their own leadership, and participate in helping to fund the effort just as the SFO Airport/Community Roundtable does. Once it is conceived, the newly formed South Bay Airport Roundtable could also work with the SFO Airport/Community Roundtable to establish a joint subcommittee to address complex overlapping issues related to the Midpeninsula.

We understand that developing solutions to aircraft noise issues is a complicated and sensitive endeavor that requires extensive engagement with constituents living in affected communities facing sometimes separate but ultimately interrelated issues. Because of this, any proposed changes to our complex airspace should not be the burden of one single city and can only be achieved fairly and effectively with a foundation of regional consensus. The establishment of a permanent South Bay entity is the fundamental prerequisite to ensuring that there is a platform to develop regional consensus upon and thereby ensure any current and future aircraft noise concerns of our mutual constituents can be adequately addressed.

We hope you will accept our request to adopt a leadership role in helping to meet this important regional need. Thank you in advance for your attention to our request and we look forward to your timely response and assistance.

Sincerely, *and gratefully,*

SAN FRANCISCO INTERNATIONAL AIRPORT/COMMUNITY ROUNDTABLE PURPOSE AND BYLAWS

A. PURPOSE

The San Francisco International Airport/Community Roundtable was established in 1981 to address community concerns related to noise from aircraft operating to and from San Francisco International Airport (SFO). This voluntary committee of local elected and appointed officials provides a forum for public officials, airport management, FAA staff, and airline representatives to address issues regarding aircraft noise, with public input. The Roundtable monitors a performance-based aircraft noise mitigation program, as implemented by airport staff, considers community concerns regarding relevant aircraft noise issues, and attempts to achieve additional noise mitigation through a cooperative sharing of authority brought forth by the airline industry, the FAA, airport management, and local elected officials.

Santa Clara/Santa Cruz Counties Airport/Community Roundtable Purpose & Bylaws

MISSION

Mission Statement: To Address Community noise concerns and make recommendations to the Regional Airports and FAA on noise related issues.

PURPOSE

The Santa Clara/Santa Cruz Counties Airport/Community Roundtable was established in 2018 to address community concerns related to noise from aircraft operating to and from, and not limited to San Francisco International Airport (SFO) and San Jose International Airport. This voluntary committee of local elected and appointed officials provides a forum for public officials, airport management, FAA staff, and airline representatives to address issues regarding aircraft noise, with public input. The Roundtable monitors a performance-based aircraft noise mitigation program, as implemented by airport staff, considers community concerns regarding relevant aircraft noise issues, and attempts to achieve additional noise mitigation through a cooperative sharing of authority brought forth by the airline industry, the FAA, airport management, and local elected officials.

MEMORANDUM OF UNDERSTANDING (MOU)

PROVIDING FOR THE CONTINUING OPERATION OF THE SANTA CLARA/SANTA CRUZ COUNTIES AIRPORT/COMMUNITY ROUNDTABLE

Preamble

A critical need exists in Santa Clara and Santa Cruz Counties for a permanent venue to address aircraft noise concerns and it is essential to include all unrepresented cities in these counties.

In July 2017, the Cities Association of Santa Clara County received a Congressional request by Representatives Eshoo, Khanna, Panetta to take a leadership role in developing an intergovernmental partnership between the cities and counties of Santa Clara and Santa Cruz Counties, Norman Y. Minéta San Jose International Airport (SJC), and San Francisco International Airport (SFO) that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the South Bay and Santa Cruz County

Between May and November 2016, the Select Committee on South Bay Arrivals, a temporary committee of 12 local elected officials (Select Committee) appointed by Congresswoman Anna G. Eshoo, Congressman Sam Farr, and Congresswoman Jackie Speier, convened meetings to receive public input and develop regional consensus on recommendations to reduce aircraft noise caused by SFO flights and airspace, and procedural changes related to the Federal Aviation Administration's Next Generation Air Transportation System.

Among the many recommendations that received unanimous approval by the Select Committee was the need for a permanent venue to represent currently disenfranchised communities in addressing aircraft noise concerns including, but not limited to SFO. This recommendation stems from the fact that our mutual constituents in Santa Clara and Santa Cruz Counties, do not currently belong to a permanent aircraft noise mitigation entity such as the SFO Airport/Community Roundtable.

On October 3, 2017, the San José City Council authorized the Ad Hoc Advisory Committee on South Flow Arrivals to explore possible solutions to address the noise impacts on residents when weather conditions over the airfield require the Airport to operate in a "south flow" configuration (when aircraft land from the north of the Airport instead of the usual landing from the south).

Both the Select Committee and the South Flow Ad Hoc Roundtable have disbanded, the Santa Clara/Santa Cruz Roundtable envisioned by the Cities Association would likely be viewed as an appropriate surrogate for this function in partnership with the SFO Roundtable, SFO and San Jose Minéta Airports.

A significant demand exists for an aircraft noise mitigation entity to represent constituents in the South Bay, it is imperative that any potential body not be confined to SJC or SFO related issues and also include representation of all affected and currently unrepresented

communities in Santa Clara and Santa Cruz Counties. While participation by elected officials in each affected city is essential, it is critical that the establishment of such a body should not be unilaterally implemented by one city, but instead be led collectively by the entire affected region.

The [FAA's November 2017 Phase Two Report](#), the FAA reiterates it will not support solutions that result in shifting the problem of noise from one community to another. It also repeatedly identifies increased flying distance as an unacceptable outcome of many community-proposed solutions that conflict with the economic, environmental, and operational efficiency benefits gained from shorter flying distances.

The FAA repeatedly points to the anticipated inevitability of increases in congestion as airports increase their number of flight operations. The report explicitly states it will not move forward on certain feasible recommendations “until issues of congestion, noise shifting and flying distance have been addressed with the airline stakeholders and the affected communities by the Select Committee and/or SFO Roundtable.”

Each jurisdiction is just one of over 100 municipalities in the Bay Area. The ability of any single community, whether 30,000 or 60,000, to influence the complex operations of a federal agency serving a region of 8 million people is limited.

The impacts of airplane noise must be considered amid the competing interests of the flying public, airline industry priorities, airport operational requirements, broader economic and environmental impacts and, above all else, safety. The successful navigation of these public interest challenges requires effective collaboration.

To ensure equitable regional representation, each city and county should have the opportunity to appoint one Member and one Alternate who are local elected officials to serve on the body, elect their own leadership, and participate in helping to fund the effort just as the SFO Airport/Community Roundtable does. Once it is conceived, the newly formed South Bay Airport Roundtable could also work with the SFO Airport/Community Roundtable to establish a joint subcommittee to address complex overlapping issues.

The Cities Association of Santa Clara County is seeking each jurisdiction of Santa Clara County and Santa Cruz County to collaborate with neighboring jurisdictions through the formation of a community roundtable to most effectively address the community impacts of aircraft operations and work with the Federal Aviation Association (FAA).

The Board of Directors of the Cities Association of Santa Clara County supports and will initiate formation of an intergovernmental partnership between the cities and counties of Santa Clara and Santa Cruz Counties, Norman Y. Minéta San Jose International Airport (SJC), San Francisco International Airport (SFO), and the FAA, that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the Santa Clara and Santa Cruz Counties, and invite the jurisdictions, cities and counties within Santa Clara County and Santa Cruz County, to partner in the formation of the Santa Clara/Santa Cruz Roundtable.

ARTICLE I: Statement of Purpose and Objectives

Purpose

The overall purpose of the Santa Clara/Santa Cruz Counties Community Roundtable (Roundtable) is to continue to foster and enhance this cooperative relationship to develop, evaluate, and implement reasonable and feasible policies, procedures, and mitigation actions that will further reduce the impacts of aircraft noise in neighborhoods and communities in Santa Clara and Santa Cruz Counties.

Objectives

Objective 1: Continue to organize, administer, and operate the Roundtable as a public forum for discussion, study, analysis, and evaluation of policies, procedures and mitigation actions that will minimize aircraft noise impacts to help improve the quality of life of residents in Santa Clara and Santa Cruz Counties.

Objective 2: Provide a framework of understanding as to the history and operation of the Roundtable.

Objective 3: Maintain the Roundtable as a focal point of information and discussion between local, state, and federal legislators and policy makers, as it applies to noise impacts from airport/aircraft operations in local communities.

Objective 4: Develop and implement an annual Roundtable Work Program to analyze and evaluate the impacts of aircraft noise in affected communities and to make recommendations to appropriate agencies, regarding implementation of effective noise mitigation actions.

Objective 5: Maintain communication and cooperation between Airport management and local governments, regarding: (1) local agency land use and zoning decisions within noise-sensitive and/or overflight areas, while recognizing local government autonomy to make those decisions and (2) decisions/actions that affect current and future on-airport development, while recognizing the Airport Commission's autonomy to make those decisions.

ARTICLE II: Agreement

Signatory agencies/bodies to this Memorandum of Understanding (MOU) agree as follows:

Accept the operation of the Roundtable as described in the "Statement of Purpose and Objectives," as stated in Article I.

Work cooperatively to reduce noise and environmental impacts, from aircraft operations at, but not limited to, SFO and SJC, in affected neighborhoods and communities.

Provide the necessary means (i.e., funding, staff support, supplies, etc.) to enable the Roundtable to achieve a reduction and mitigation of aircraft noise impacts, as addressed in this agreement.

Represent and inform the respective constituencies of the Roundtable members of the Roundtable’s activities and actions to reduce aircraft impacts, as address in this agreement. Initial funding will be shared by jurisdictions, and thereafter it is expected the airport will contribute.

The Roundtable shall establish a budget for each fiscal year. Each Roundtable voting member jurisdiction shall contribute to the budget based on a per capita formula as follows: the population of each jurisdiction (most recent available census numbers) times the following per capita fee structure:

Per Capita Fee Structure	
Large City	\$ 0.50
Small City	\$ 0.50
Medium City	\$ 0.50
XL City	\$ 0.10
County	\$ 0.50

ARTICLE III: Roundtable Membership

Voting membership – The Roundtable voting membership consists of one designated Representative and one designated Alternate from the following agencies/bodies:

- City of Campbell
- City of Capitola
- City of Cupertino
